Townsville Yearly Membership Levels - 2026		
Non-Active Member	Free	This membership category is a free membership that is similar to the 2025 Non-Active Member category. It is for spectators, volunteers, and people who may not play table tennis, but would still like to be actively involved in our Association. It enables someone to become a member and receive communication from our Secretary, as well as certain other member benefits that may be offered by our Association, or the State or National Governing bodies.
Club Play - Social Senior Member	\$75	This is a subsidies membership available to Townsville social senior players only. This level of membership entitles a player to participate in social senior fixtures, as well as senior training sessions. This membership includes social affiliated membership with our State and National governing bodies (Table Tennis Queensland and Table Tennis Australia). A social senior player with this membership may not be uploaded to ratings central throughout the year, may not compete in senior fixtures, and may not compete in any tournaments. The only exception to this is if a tournament (or events in a tournament) are open to the public. A social senior member with this membership may still compete in any tournaments that are open to the public. This would include Friday night social tournaments, or all events at the International Women's Day Tournament and the Chinese New Year Tournament except the main events. This membership level is designed to maintain a low membership cost for our social senior players.
Club Play - Townsville Member	\$105	This is a discounted membership available to players who wish to play socially, in our junior program, or in the senior fixtures. The membership benefits are the same as the 'Club Play – Social Senior Member', except that the member can also play in senior fixtures or the junior training. This membership also includes social affiliated membership with our State and National governing bodies (Table Tennis Queensland and Table Tennis Australia), and a player with this membership may not be uploaded to ratings central throughout the year and may therefore not compete in any tournaments (or events in a tournament) unless they are open are open to the public.
Club Member Comp	\$150 (\$140 concession)	<u>Veteran Players:</u> This level of membership is the full membership level for veteran players, which enables veteran players to compete in all tournaments, including the National Veteran Championships, Queensland Tournaments, and all sanctioned tournaments (including the Townsville Open Championships). <u>Junior/Senior Players:</u> This level of membership enables junior/senior players to compete in all Queensland tournaments and other sanctioned tournaments in Australia (including the Townsville Open Championships). It does <u>not</u> enable a junior/senior player to compete in a National Tournament, including the National Hopes program, the TTA Tours, or the National Junior and Senior Championships.
Representative Townsville Member	The Club Comp Member fee plus an extra \$312.43 Table Tennis Australia fee	This level of membership is only relevant for junior/senior players and enables junior/senior players to compete in all tournaments including the National Hopes program, the TTA Tours, or the National Junior and Senior Championships.
